

House Resolution No. 4031

Whereas, it is with special pleasure that the members of the Missouri House of Representatives pause to recognize New England Business Service (NEBS), Inc., in Maryville, Missouri, which celebrated its Twenty-fifth Anniversary on June 4, 2005, with an employee picnic; and

Whereas, NEBS opened its doors to the public with twenty-six employees in April of 1980, since which time it has acquired more than 200 employees who operate on three shifts and ship more than 3,000 orders each day; and

Whereas, NEBS makes and sells business and computer forms, checks, and promotional products to more than two million businesses all over the world; and

Whereas, established in 1952, NEBS has printing plants in Maryville, Missouri, and Townsend, Massachusetts, and telemarketing centers in Groton, Massachusetts, and Flagstaff, Arizona; and

Whereas, from the early days of a home-based business founded by Al Anderson, NEBS has evolved to include direct marketing, inbound and outbound telesales, a direct sales force, email, and Internet sites:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, unanimously join in extending our most hearty congratulations to New England Business Services, Inc. upon this very special anniversary event; and
